## Mentoring

### Students

Alma Rosa Rivera, Dell Medical School at The University of Texas at Austin Medical Student, currently a PGY1 Resident at Dell Med <i>Mentor, Poster presentation at 2023 Association for Academic Psychiatry Annual Meeting</i>	11/22 to Present
Ananya Roy, Dell Medical School at The University of Texas at Austin Medical Student, currently a PGY1 Resident at Dell Med <i>Mentor, Poster presentation at 2023 American Psychiatry Association Annual Meeting, received poster award</i>	11/20 to 06/24
Amber Baysinger PhD, Dell Medical School at The University of Texas at Austin Medical Student, currently Psychiatry faculty at UCLA <i>Mentor, Created and published the Association of American Medical Colleges-sponsored ReSET modules, poster abstract accepted for 2020 AAMC meeting</i>	09/17 to 06/20
Whitney Williams, Dell Medical School at The University of Texas at Austin	09/16 to 06/20

Medical Student, currently an Account Executive at Tebra, a Healthcare Software Company  
*Mentor, Poster abstract accepted for 2020 AAMC meeting*

## Residents

Aysha Sabri MD, Dell Medical School at UT Austin Psychiatry Residency 07/16 to Present  
 Resident, currently an attending at the Austin State Hospital  
*Mentor, presented two posters and conducted a workshop together, 2025 Finalist For Austin Under 40 Awards*

Ashlyn Hankey MD, Dell Medical School at UT Austin Psychiatry Residency 05/14 to 07/16  
 Resident, currently a private practice psychiatrist  
*Mentor, presented a poster at Dell Med*

Isela Werchan MD, Dell Medical School at UT Austin Psychiatry Residency 04/13 to 05/18  
 Resident, currently an affiliate faculty member of Dell Med  
*Mentor, authored two papers together*

## Advising

### Students

Sahana Prabhu, Dell Medical School at The University of Texas at Austin 04/24 to Present  
 Current Medical Student  
*Residency Advisor*

John Lueck, Dell Medical School at The University of Texas at Austin 11/23 to Present  
 Current Medical Student  
*Residency Advisor*

Anuska Martinez, Dell Medical School at The University of Texas at Austin 11/23 to Present  
 Current Medical Student  
*Advisor, Served as an advisor for her presidency of LMSA, faculty advisor for Austin State Hospital medical student volunteer event*

Arjun Srivastava, Dell Medical School at The University of Texas at Austin 07/22 to Present  
 Medical Student, currently a Psychiatry Resident at Dell Med  
*Residency Advisor, inducted into University of Texas's Friar Honor Society*

Ariana Ramos, The University of Texas at Austin 12/21 to 06/21  
 Current Undergraduate Pre-Med Student  
*Medical School Advisor*

Natalie Rivas, Dell Medical School at The University of Texas at Austin 12/21 to Present  
 Current Medical Student  
*Medical School Advisor, Founded a wellness initiative for Dell Med medical students*

Danna Gonzalez-Lugo, The University of Texas at Austin 06/20 to 06/21  
 Undergraduate Pre-Med Student  
*Medical School Advisor*

Ayisha Mahama, Dell Medical School at The University of Texas at Austin 09/19 to 07/22

Medical Student, currently a Dermatology Resident at Dell Med  
*Residency Advisor*

Kaylee Tran, The University of Texas at Austin 11/18 to 05/21  
 Undergraduate Pre-Med Student  
*Medical School Advisor*

Jenieve Chapa, The University of Texas at Austin 09/18 to 05/21  
 Undergraduate Pre-Med Student, currently a medical student at UTMB  
*Medical School Advisor, matriculated into medical school*

Fernando Tejeda-Castro, The University of Texas at Austin 08/16 to 08/20  
 Undergraduate Pre-Med Student, currently an Emergency Medicine Resident  
*Medical School Advisor, matriculated into medical school*

Alyssa Wilkins, Texas A&M 08/14 to 05/16  
 Undergraduate Pre-Med Student, currently an orthopedic physician assistant  
*Medical School Advisor, matriculated into physician assistant school*

**Residents**

Syeda Masooma Javaid DO, Dell Med School at UT Austin Psychiatry Residency 09/20 to 12/23  
 Resident, currently a Consultation-Liaison Psychiatry fellow for Dell Med  
*Advisor, provided professional development advising*

Prit Patel MD, Dell Medical School at UT Austin Psychiatry Residency 09/19 to 06/20  
 Resident, currently a private-practice psychiatrist  
*Advisor, provided professional development advising*

Ryan Seaver MD, Dell Medical School at UT Austin Psychiatry Residency 07/17 to 06/22  
 Resident, currently an attending at John Peter Smith  
*Advisor, provided professional development advising*

Chris Masuda MD, Dell Medical School at UT Austin Psychiatry Residency 07/17 to 06/18  
 Resident, currently a medical director for a private psychiatric urgent care center  
*Advisor, provided professional development advising*

**Grants**

**1. Sponsored Research Funding, Candidate PI, Multiple PI, or co-I**

Completed 08/19  
 Association of American Medical Colleges (AAMC)  
 Rich Bottner (PI)  
 Role: co-Investigator  
 AAMC Opioid Education Challenge Grant Program  
 ReSET: Reducing Stigma Educational Tools online modules for medical professionals  
 Total, direct & indirect costs: \$20,000  
 10% Effort

Completed 01/18  
 Association of Directors of Medical Student Education in Psychiatry (ADMSEP)  
 Brian Fuehrlein MD (PI)  
 Role: co-Investigator

ADMSEP Research and Scholarship Grant  
 Investigation of the use of computer-enhanced manikins to improve knowledge and  
 comfort level of treatment of opioid use disorders  
 Total, direct & indirect costs: \$2,500  
 30% Effort

**2. Sponsored Research Funding, Candidate in Key Personnel Role**

Completed 01/19  
 Michael and Susan Dell Foundation  
 Mini Kahlon (PI)  
 Role: Key Personnel  
 Health Professions Programs  
 Advancing local K-12 students' awareness and preparation for entering into a  
 health profession.  
 Total, direct and indirect costs: \$290,000  
 Role: Faculty Lead (10% Effort)

**3. Internal Research Funding, Candidate PI, Multiple PI, or co-I**

Completed 08/14  
 UT Southwestern-Austin  
 Kristin Escamilla MD (PI)  
 UTSW Austin Research Resident/Fellow Grant (SERF-RG)  
 Provided educational resources to the social supports of patients with delirium  
 Total, direct & indirect costs: \$475  
 80% Effort

**Other Active Research Activities and Clinical and Quality Improvement Projects**

- Expanding access to opioid use disorder treatment for adolescents 09/24 to Present  
*There is a gap in opioid use disorder treatment options for adolescents. I am working to bridge this gap by expanding access to care with the partnership of Integral Care and Dell Medical School Child and Adolescent Psychiatry Faculty.*
- Bias in psychiatry letters of recommendation 03/24 to Present  
*Working with faculty from multiple institutions to investigate whether bias exists in faculty letters of recommendation that are written for medical students applying for psychiatry residency.*
- Integrating Public Psychiatry into Medical School Education 04/23 to Present  
*Assessing the effectiveness of a public mental health course and elective created for psychiatry residents and senior medical students. The goal is to increase the community psychiatry workforce, empathy in patient care, and knowledge in mental health equity.*
- Expanding access to care by creating moonlighting positions for psychiatry residents 01/22 to Present  
*There is always a constant need for more psychiatrists to work in community settings. After engaging with multiple stakeholders, I was able to facilitate the creation of moonlighting positions for psychiatry residents from Dell Med at Integral Care.*
